## CENSUS BUREAU USE OF COUNTY FACILITIES (FEBRUARY 2, 2010 BOARD AGENDA, ITEM NO. 3)

On January 12 and February 2, 2010, the Board of Supervisors adopted motions by Board Chair Gloria Molina to allow the U.S. Census Bureau (Bureau) to use County-owned and leased facilities for "Be Counted Sites," "Questionnaire Assistance Centers (QACs)," Census staff training and testing, and other Census-related uses where such use does not negatively impact the main business of that facility (see Attachments I and II). In light of the County's vested interest in promoting the most complete Census count possible to ensure receipt of our fair share of Federal revenues based on population, we urge you to accommodate the Bureau's requests wherever possible.

The standard procedure will be for the Bureau to contact the Chief Executive Office (CEO) and identify facilities they want to use for one or more of the purposes noted above. We will then work with the departmental facility contact(s) to confirm that the use can be readily accommodated. Upon CEO approval, we will ask the department(s) to complete the necessary forms for final CEO execution (see Attachments to attached Board actions). In the event a Bureau representative approaches staff at one of your facilities directly, please advise James Hazlett at (213) 974-1148 or <a href="mailto:jhazlett@ceo.lacounty.gov">jhazlett@ceo.lacounty.gov</a> and we will review the request in coordination with your Department.

If you have any questions or require additional information, please have your staff contact Ellen Sandt at (213) 974-1186 or <a href="mailto:esandt@ceo.lacounty.gov">esandt@ceo.lacounty.gov</a> or Martin Zimmerman at (213) 974-1326 or <a href="mailto:mzimmerman@ceo.lacounty.gov">mzimmerman@ceo.lacounty.gov</a>.

Thank you for your assistance and cooperation in this important effort.

#### MOTION BY SUPERVISOR GLORIA MOLINA

January 12, 2010

On May 12, 2009 the Board of Supervisors kicked-off the County's Census Outreach effort and directed each County department to participate in the County's Complete Count efforts wherever appropriate and as requested by the Chief Executive Officer (CEO). Also included on today's Board Agenda is a motion to embrace "You Count!" as the County's Census outreach slogan and to establish Census outreach volunteer activities for County employees as the focus of this year's Cesar Chavez Community Service Week.

The local offices of the U.S. Census Bureau are our close partners in the Census outreach effort, and the Bureau is mounting the most aggressive effort ever to ensure an inclusive and thorough Census count. As part of their Census awareness and assistance effort, the Bureau is establishing dozens of "Be Counted Sites" and "Questionnaire Assistance Centers" (QACs) at various locations throughout the County. Be Counted Sites primarily include information available for the public to read and take home, while the QACs are staffed by Bureau employees who will assist residents with questions about the form and how to complete it.

The Bureau wishes to use some County facilities for these sites, and in particular, facilities that serve hard-to-count populations or are located in hard-to-count communities. The County should facilitate this worthwhile effort by allowing the Census Bureau a blanket waiver to establish these sites in County facilities after receiving approval from the CEO. The CEO will work with the respective department/facility to ensure that adequate space is available, and that the Census use will not negatively impact the main business of the facility.

- I, THEREFORE, MOVE THAT the Board of Supervisors:
- 1. Find that a portion of County-owned and County-leased facilities will not be needed exclusively for County use while the U.S. Census Bureau establishes Be Counted Sites and Questionnaire Assistance Centers at various locations to be determined by the CEO in conjunction with the user departments at those locations.
- 2. Find that the Census outreach effort, in the form of the proposed Be Counted Sites and Questionnaire Assistance Center sites, provides a public service that benefits local communities and the County.
- 3. Authorize the CEO or his designee to execute the attached agreement provided by the U.S. Census Bureau which will allow Bureau personnel, without indemnification, using self-insurance, and on a gratis basis, to use County-owned and County-leased facilities through May 31, 2010, in order to establish Be Counted Sites and Questionnaire Assistance Centers to assist in Census outreach, once the CEO has determined the use will not negatively impact the main business of the selected facilities.

## CONDITIONS FOR DONATION OF SERVICES AND SPACE AGREEMENT 2010 Census

The common goal of the U.S. Census Bureau and the Donor is to achieve a complete and accurate count in the 2010 Census.

#### A. Donation of Space

Under the guidance of the U.S. Census Bureau, the Donor agrees to provide space for a Questionnaire Assistance Center (QAC) within the property of their organization for the purpose of helping those persons who request assistance in completing their 2010 Census questionnaire.

In the event that injury or damage is caused a U.S. Census Bureau employee while acting within the scope of his or her authority, the incident will be covered under the Federal Tort Claims Act, Title 28 U.S.C. §2671, et seq. Any claims arising from such incidents may be filled with the U.S. Census Bureau and will be promptly addressed.  Any injury occurring to a U.S. Census Bureau employee while acting within the scope of his or her employment will be covered under the Federal Employees Compensation Act, Title 5 U.S.C. §8101, et seq.  Because the Federal Government is self-insured, it is the U.S. Census Bureau's policy not to purchase or pay for commercial liability insurance. In addition, the Anti-Deficiency Act, Title 31 U.S.C. §1341, et seq., prohibits any Federal agency from undertaking contingent and undetermined liability without funds being appropriated by Congress for such purpose. For this reason, the Government cannot agree to a "hold-harmless" clause nor can it waive the right to sue.	jnature

### MOTION BY SUPERVISOR GLORIA MOLINA

February 2, 2010

On January 12, 2010, the Board of Supervisors authorized the U.S. Census Bureau to use County facilities for "Be Counted Sites: and "Questionnaire Assistance Centers" based upon a case-by-case finding that the use could be accommodated without negatively impacting the main business of the facilities. The Bureau has now identified the need for additional space for training and testing of Bureau personnel and other Census-related uses.

In order to continue our strong partnership with the Bureau in ensuring the most complete Census count possible, We should expand this Board's prior authorization in order to allow the Census Bureau to utilize County facilities for these additional purposes after receiving approval from the Chief Executive Office (CEO), in conjunction with the respective department/facility, that adequate space is available and that the Census use will not negatively impact the main business of the facility.

I, THEREFORE, MOVE THAT THE BOARD:

- Find that a portion of County-owned and County-leased facilities will not be needed exclusively for County use while the U.S. Census Bureau establishes Census personnel training and testing sites and other Census-related activities at various locations to be determined by the CEO in conjunction with the user department at those locations.
- Find that the Census outreach effort, in the form of the proposed training, testing and other uses at County sites, provides a public service that benefits local communities and the County.
- 3. Authorize the Chief Executive Officer or his designee to execute the attached agreement provided by the U.S. Census Bureau which will allow Bureau personnel, without indemnification, using self-insurance, and on a gratis basis, to use County-owned and County-leased facilities through May 31, 2010, in order to pursue Census personnel training and testing and other Census-related activities to assist in Census outreach, once the CEO has determined the use will not negatively impact the main business of the selected facilities.
